## Who We Are:

The Children's Home of Pittsburgh & Lemieux Family Center is an independent, nonprofit licensed organization whose purpose is to promote the health and well-being of infants and children through services which establish and strengthen the family.

## The Pediatric Specialty Hospital:

Quiet, home-like transitional hospital for infants and children

- Emphasis on caregiver education and training, to prepare families for the transition to home
- Parents, siblings, and other family members can reside onsite 24/7 in the Lemieux Family Center throughout their child's stay
- Innovative care delivered by a multi-disciplinary team

## Child's Way®:

Day care for medically fragile children delivering early childhood development and routine care services

- Pediatric nurses and teachers work side-by-side, providing comprehensive care and education
- Curriculum, socialization, and therapies ensure each child meets developmental milestones

## Adoption:

The Infant Adoption Program

- Over 7,000 infants placed since 1893
- Provides a lifetime of support services for birthparents and adoptive families/children

Statewide Adoption and Permanency Network (SWAN) Program

- Provides services for families seeking to adopt an older child from foster care
- Helps children prepare for and achieve permanency with services
